

NOTICE TO CONTRACTORS

COMPLIANCE WITH CONSTRUCTION BILLBOARD REQUIREMENT

The National Council for Construction (NCC) wishes to remind all contractors operating within Zambia on the requirement to erect a Construction Billboard at every project site.

Construction billboards are essential for:

1. Providing transparency and project information to the public.
2. Ensuring accountability in the construction process.
3. Enhancing the visibility of stakeholders involved in infrastructure development.

Mandatory Information on Construction Billboards:

- Project title and description.
- Names of the client, contractor, and consultant.

NCC will be conducting random inspections to ensure adherence to this.
